LCI Melbourne is not your cookie-cutter higher education institute. We are a local design school with a global reputation that inspires and empowers students to design with purpose, and become what's next.

#### OUR WAREHOUSE CAMPUS

Located in Collingwood, Melbourne's creative precinct, the LCI Melbourne campus is in a historic warehouse designed for your creative mind to flourish. It offers state-of-the-art facilities including industry standard equipment so you can design with purpose.

Collingwood contains an intriguing blend of local history, quirky entrepreneurship, hip hangouts, colourful street art and young creatives. It is spoilt for choice with an array of art galleries, boutiques, homeware stores, fashion houses, advertising agencies and design studios. Fabric stores, art supply shops and framing businesses are also plentiful along the main street and down laneways.

# HIGHER EDUCATION DIPLOMA

Diplomas in Design

LCI Melbourne is proud to announce four new Diploma programs allowing you to explore the creative discipline of your dreams.

- Fashion Design
- Fashion Styling
- Graphic Design
- Interior Design

Discover how to kick-start your career or explore tertiary education opportunities with a Diploma that is inspiring, engaging and connected with the industry.

You will learn to conceptualise and realise creative ideas and outputs, with engagement from leading industry professionals. An LCI Diploma teaches you how to combine developmental, creative and professional skills to solve a range of imaginative problems. You will explore foundation design concepts, industry led briefs and work towards the development of a personal design ethos.

The Diplomas have been developed in consultation with industry experts; so our students develop a suite of contemporary skills and expertise that make our graduates some of the most sought after designers in the country.

Our diplomas are tailor-made to encourage students to explore their creativity, test their ideas in the real world, and benefit from the mentorship of teachers who are active in industry.

#### Delivery Method

The academic calendar at LCI Melbourne is divided into trimesters, starting in February, June and September. Students can choose to commence their studies at the beginning of any trimester. The Diplomas are delivered face-to-face on campus.

#### Study Options

01 Study the standalone Diploma in just one year over three trimesters, full time.

02 Use the Diploma as a foundation for a direct pathway into our unique Bachelor of Design Arts degree. After completing the full Diploma, you can get credit for the first three trimesters of the Degree with a major in the aligned discipline.

03 Use the Diploma as an entry pathway to work in the field that you love. We provide extensive career support to help find a position that is right for you.

More details go to

**FD Fashion Design**  
 Do you want to take your creative ideas and have them realised in a fashion collection? The LCI Melbourne Fashion Design Higher Education Diploma provides the conceptual foundation and technical skills needed to become an entry level creative professional in the fashion design industry. Use it to segue into our Bachelor of Design Arts with a Fashion Design major.

**FS Fashion Styling**  
 Build a life changing fashion styling portfolio while participating in exploratory and real life projects. Taught by leading experts you will build knowledge on how to style on photographic and film shoots, build engaging blogs and social media platforms to showcase your ideas and understand the requirements of how to contribute your creative concepts to campaigns.

**GD Graphic Design**  
 Kick-start a career in the visual communication industry exploring both hand drawn creative concepts and digital skills to produce innovative ideas. You have an opportunity to learn the foundations, meet leading industry experts who engage with you and your work, and experiment with new ideas that inspire.

**ID Interior Design**  
 You will build your technical and creative skills and apply them to create engaging, interactive and imaginative interior spaces. You will understand how to work collaboratively on commercial and residential projects, bringing together the diverse elements of Interior Design into a cohesive vision. A great opportunity to test-drive Interior Design before embarking on a career or further education.

# APPLY NOW

“I want to be able to lead people, create with a purpose and compete in the current design landscape.”

To be considered for a place at LCI Melbourne, our entry requirements are:

→ Evidence of satisfactory completion of VCE or year 12 equivalent or work experience equivalence

PLUS

→ Submission of a creative Portfolio of 6 to 8 items – See tips and tricks on how to prepare a portfolio on our website

OR

→ Completion of a preselection kit provided by LCI Melbourne.

After submission the portfolio or selection kit is viewed by our panel. If you are shortlisted, your application will proceed to interview stage where you will meet with a member of the LCI Melbourne team to talk through your portfolio and ask questions.

You can apply online, in person, or talk to our admissions team by phone.

Who can apply? →

1. High school graduates
2. Mature-aged students – with or without prior study
3. Interstate students
4. International students\*

\* If you are an international student you must have the equivalent of IELTS 6.0, with no skill band less than 5.5.
